Welcome!

**FROM THE PRESIDENT OF THE NAPERVILLE JAYCEES**

On behalf of the Naperville Jaycees, I would like to say thanks for spending your Labor Day weekend at the Last Fling. Each year, we are humbled by the continued support from the community. The Naperville Jaycees are committed to helping others - from our Food Giving Program, annual Easter Egg Hunt and much more. The Naperville Jaycees volunteer time, host various fundraisers and recognize the outstanding efforts of individuals and businesses within this great community. Our largest fundraiser, the Last Fling, is continually recognized as one of the best family-friendly and affordable events in Naperville. One of the main attractions this year is Napleton's Valley Hyundai Family Fun Land, located at Naper Settlement. This is a great opportunity for families to enjoy crafts, special events and have the chance to meet Calum Worthy from Award Winning Disney Channel series “Austin & Ally.” Additionally, Jackson Street will feature carnival rides, food vendors and free access to the HomeBridge Financial/The Dolly McCarthy Show Entertainment Stage with a great line-up of bands. Don’t forget the main attraction, the Thomas Coffee Main Stage located on Rotary Hill! The entertainment is second to none – Jack Russell’s Great White and Lita Ford headline on Friday, Daughtry on Saturday and Chevelle on Sunday. This year we will finish the weekend with the first annual Rooster 5k, Labor Day Parade and more music which is free and open to the public. Thank you again for taking time to join us for this fun-filled weekend. You are doing a great thing by supporting the Naperville Jaycees!

Sincerely,

Karen Coleman, President, 2015 Naperville Jaycees
“The 2015 Last Fling Executive Committee has been working hard for nearly a full year to make this a memorable event. Each EC member welcomes you and hopes you enjoy yourself!”

JOHN TROJANOWSKI
EXECUTIVE DIRECTOR
John joined the Naperville Jaycees in June 2008, has chaired almost every committee and executed the purposes, and its members at a young age. John officially became a member of the Jaycees in 2012 and says that the Last Fling has become a big part of his life. He says that he is mostly impressed by the “service before self” mentality seen from his fellow Jaycees. John says, “The Last Fling is a huge event that takes a lot of work and a lot of effort, but seeing the positive impact it has on the community and knowing how many non-profits benefit from it makes it all worthwhile.” He also says that being chosen as one of this year’s Executive Directors is truly an honor and he is looking forward to this once in a lifetime experience!

MARY COOKE-HALL
FAMILY FUN LAND
Mary has been a valuable member of the Naperville Jaycees since March of 2012 and this is her third year volunteering with the Last Fling. Her favorite memory happened on the top of the Main Stage hill when the Goo Goo Dolls played to a packed Rotary Hill at the Main Stage in 2012. However, on the way down, a group of volunteers got stuck in the elevator and ended up missing a good portion of the show (thankfully, they could still hear the music and the clouds were clearing). Thank you to the Naperville Fire Department for coming by to save the day!

DENISE PAPE
ADMINISTRATION
Denise started working with the Naperville Jaycees in January of 2015 as the Last Fling Administrator. Attending the Last Fling has been a tradition for the Pape family for the past 5 years and they particularly enjoy Family Fun Land, the carnival and special events. One of Denise’s favorite memories was when her son, who is a huge fan of the Disney’s “Jesse,” got to meet and take a picture with one of the show’s main characters. Denise is very excited to be a part of celebrating 50 years of the Last Fling this year!

APRIL TUFANO
SPONSORSHIP
Four years ago, April had so much fun volunteering for the Last Fling that she realized she wanted to get more involved with the Naperville Jaycees to help those around her. As member of the Naperville Jaycees, April has volunteered and worked just about every event that the Jaycees do. April decided to lead the Last Fling Sponsorship Committee this year with the hope of being a big part of bringing in the dollars that the Naperville Jaycees need to back to the community. Her favorite part of the Last Fling is seeing the Main Stage hill full of people singing along with the bands and says it is a great memory to know that the Jaycees has put on a great event!

PETE PAULSEN
COODIRIGENT
Pete joined the Naperville Jaycees in 2009 and has been volunteering since he was a kid when his dad, Ralph Paulsen of Gregory Electric, would donate all of the electricity (back before generators were used and power was taken from the surrounding buildings). He loves being a part of the Last Fling because of the camaraderie shared with his fellow Jaycees, the great music and the pleasure he gets from watching the attendees enjoy the weekend. Pete’s favorite memory is witnessing the Goo Goo Dolls’ semi-Halloween get stuck in the mud and have to get towed out from the Main Stage area in 2013.

JAMES BERNICK
ENGINER
James has been a part of the Naperville Jaycees since 2013 and has been part of the Last Fling for each of the past two years. He says, “Looking out over the crowd on Saturday night and seeing all those people enjoying the Last Fling is a "cool vibe” for him because it makes people happy - family, kids, adults, even dogs seem happy at the Fling!”

MARK MOULESONG
MUSIC COORDINATOR
Growing up as a son of a Jaycee, Mark was exposed to the organization, its purpose, and its members at a young age. Mark officially became a member of the Jaycees in 2012 and says that the Last Fling has become a big part of his life. He says that he is mostly impressed by the “service before self” mentality seen from his fellow Jaycees. Mark says, “The Last Fling is a huge event that takes a lot of work and a lot of effort, but seeing the positive impact it has on the community and knowing how many non-profits benefit from it makes it all worthwhile.” He also says that being chosen as one of this year’s Executive Directors is truly an honor and he is looking forward to this once in a lifetime experience!

DANIELLE TUFINO
PUBLIC RELATIONS AND MARKETING
Danielle became a member of the Naperville Jaycees in 2013 and is happy to serve her second year on the Board of Directors. She has attended the Last Fling as a patron, business expo partner, volunteer and Jaycee so she has a strong understanding of the wonderful Labor Day Weekend in Naperville. Her favorite memory is standing on the Main Stage and asking the packed audience to hold up their cell phones for a photo (so the ego on Rotary Hill was a little amazing). Danielle loves being a part of the Naperville Jaycees because of the positive impact that events like the Last Fling have on the community.

HELEN TAYLOR
SPECIAL EVENTS
Helen joined the Jaycees in 2007 and has volunteered at the Fling ever since. Being on the Executive Committee for the second year in a row has given her the chance again to watch the amazing feat of the Last Fling from the early planning stages to final execution over Labor Day weekend. She loves working with her fellow Jaycees, listening to all the great musical performances and watching all of the patrons enjoy what the Last Fling has to offer. Helen says, “This is a special event that allows the Jaycees to give back to the community.”

KELLY BEYER
FOOD AND BEVERAGE
Kelly joined the Naperville Jaycees in February of 2013 and has been a part of Last Fling since 2012. As a long time Naperville resident, she has many childhood memories including rocking out with her dad at the Fling on Rotary Hill and being tall enough to ride the Zipper. More recent memories include seeing the amazement on her son’s face when he tasted his first funnel cake, his joy on the rides and his sense of accomplishment when he volunteered.

SHANLEY MOULESONG
TICKETING
Stanley became a member of the Naperville Jaycees right after volunteering for the 2012 Last Fling and has volunteered at every Fling thereafter. Even though it’s hard work, every year she looks forward to spending the entire weekend with family and friends. Her favorite part of the Last Fling is seeing Rotary Hill filled with people and knowing how much the money raised goes back to the community.

ANDREW LOHSE
FINANCE
Andrew has been a member of the Naperville Jaycees and Last Fling volunteer since July 2013. His favorite memory of the Last Fling is seeing Rotary Hill filled with people enjoying themselves. He loves having a role in a multifaceted event that requires the coordinated efforts of many in order to be successful for the Jaycees’ mission of positively impacting the community.
The Naperville Jaycees are dedicated to personal development through community service. If you are a young person (21-41) looking for ways to get involved in the community, meet new people, and help local charities, look no further than the Naperville Jaycees!

To join, attend two meetings, get sworn in, and pay your dues ($60/year). Anyone can join, and our meetings are open to the public.

2ND TUESDAY OF EACH MONTH

TO OUR NAPERVILLE RESIDENTS AND VISITORS:

Welcome to the Last Fling, the block party that has grown into a 50-year Naperville tradition. This end-of-summer celebration is an opportunity for our community to come together and enjoy national musical acts, local entertainers, a carnival, the Napleton’s Valley Hyundai Family Fun Land, and more. This year, you can even “earn what you eat” on Labor Day with three running options: the popular Fling Mile, the new Rooster 5K, and the Fling Challenge for those who wish to run both races back-to-back.

More than just a weekend of fun, the Last Fling and its host, the Naperville Jaycees, have been giving back to our community for years. Over the last two decades, the Jaycees have donated more than $2 million total to Naperville-area organizations. By the start of this year’s celebration, thousands of dollars will already have been given to agencies working to help those in need and make Naperville an even better place to live, work, and play.

Our community is enriched by all those who volunteer tirelessly to make Naperville the exceptional city it is. Events like the Last Fling showcase our spirit of giving back to others, and on behalf of the City Council, I want to thank the Naperville Jaycees for giving us the fun of the Last Fling for many years. I wish everyone—the Jaycees and all the residents and visitors who will attend—an outstanding 2015 Last Fling and many more to come.

Sincerely,
Steve Chirico
